

## November NEWSLETTER

### Quality Measure Tools Now Available!

As announced at the October collaborative-wide meeting, the quality measures for the upcoming year have been approved by BCBSM. These measures will go into effect **January 1, 2024**.

Please visit the [Member Resources](#) tab of the MROQC website to access the 2024 Pay for Performance (P4P) scorecard, the 2025 Gold Card FAQ, and the 2025 CQI VBR Factsheet.

To further understand the criteria used to assess quality measure performance, please refer to the [MROQC Incentive Program Measure Criteria](#) document (*also available on the Member Resources tab*).

### In this Issue:

Quality Measures

Deadlines and Reminders

Bone Mets Knowledge Transfer Project

Recent Form Updates

Prostate PROs Report

Coordinating Center Holiday Office Closures

Upcoming Meetings and Events

2024 Collaborative-Wide Meetings

## Upcoming Deadlines and Reminders

**January 23rd, 2024** is the deadline for the **2023 Pay for Performance (P4P) incentive program** and **2023 case volumes**.

Here are a few tips to help you as you work towards this deadline:

### Clinical & Physics:

- Missing forms for Breast, Lung, and Mets should be <5% for 2023 patients with an RT end date between 10/1/22-9/30/30
- Data checker errors need to be cleared for all databases (*Metrics C and D*)

Want to make sure you are on track for meeting data deadlines in 2024?

The **MROQC Data Entry Timeline** is just the tool you need 😊

## Bone Mets Knowledge Transfer Project

### Last Chance to earn Bonus Points!

Don't miss an opportunity to receive bonus points via the Bone Mets Knowledge Transfer Project.

### MROQC Bone Mets Knowledge Transfer Project Aim:

To increase awareness and gather honest feedback about using single fractionation on eligible patients. To assess the success of the project, we will compare the usage of single fractionation treatment on uncomplicated patients prior to and after the project initiation.

**Goal:** All MROQC sites complete the Knowledge Transfer Project

### What does an MROQC site need to do?:

Successful completion of the following steps by a least ONE physician (doesn't have to be the Clinical Champion!) per site will result in 5 bonus points towards a site's final 2023 incentive program performance scoring (*which may help compensate for any lost points due to not meeting the bone mets measure*)

### Steps to Successful Completion:

1. Watch the brief video by Dr. Candice Johnstone **Mythbusting: 8Gy x 1** (located on the MROQC YouTube channel)
2. Complete the **MROQC Bone Mets Knowledge Transfer Post-Session Survey**
3. Attend a Q & A session by December 19, 2023 (select the date that works for you in the survey and an invitation will be forwarded to you or reach out to [support@mroqc.org](mailto:support@mroqc.org))
  - November 21st 12:30-1:00 pm
  - December 19th 12:30-1:00 pm
4. Success!!! 5 points (total) will be awarded after 1 physician attends a Q & A session.

*(if you completed steps 1 & 2 but have not attended a Q & A session, you will not receive 5 points)*

## Recent Form Changes

### Prostate:

Forms updates have been made to SE1, P3 & P5

- Treatment dates have been added to the SE1 Enrollment form.
- Genomic test scores are now captured on the P3 Physician Androgen Deprivation Therapy form.
- Sites can now indicate why a P5 Prostate Patient Follow-up form was not completed.

**Bone Mets:** The M2 CDA Bone Mets Baseline Medication Reconciliation form has been discontinued.

## Prostate PROs Report

To highlight the voices of our MROQC patients captured via our Patient Reported Outcomes forms, the Prostate Working Group has put together a new report, the MROQC Prostate Biannual Report.

This report incorporates:

- Enrollment Summary Data
- Baseline/Follow-Up Form Completion Rates
- Site-Level Patient Reported Outcomes from enrolled Prostate patients.

MROQC COORDINATING CENTER HOLIDAY CLOSURE

# OUR OFFICE WILL BE CLOSED ON THE FOLLOWING DATES:

THANKSGIVING: NOVEMBER 22– 25, 2023
