## Updates from the Coordinating Center

### Welcome to The Coordinating Center

Please join us in welcoming Kelly Torolski (*Physics Quality Coordinator*) and Emily Trumpower (*Data Analyst*) to the MROQC Coordinating Center team.

### Quality Measures Approved!

We are happy to announce that the 2022 Pay for Performance (P4P) and 2023 Gold Card & CQI VBR measures have been approved by BCBSM.

These measures will go into effect for cases with RT end dates of January 1, 2022-September 30, 2022.

Measure and criteria documentation will be sent out via email.

### Do you have a concept you'd like to submit?

MROQC members are welcome and encouraged to submit data requests that align with MROQC quality improvement initiatives or support local quality improvement goals. Click [HERE](#) for more information.

## Quality Incentive Program Data Deadlines

The quality measure measurement period for cases with RT end dates of January 1st, 2021 through September 30th 2021 has now ended. This measurement period is used for scoring 2021 Pay for Performance (P4P) and eligibility for the 2022 Gold Card and CQI VBR programs.

- Data (clinical and physics) for cases included in the eligibility for 2022 Gold Card and CQI VBR must be entered by **November 15th, 2021**.
- You will have until January 15, 2022 to enter data for the 2021 Pay for Performance cases

Please consult the handy [MROQC Data Entry Timeline](#) to make sure you are meeting data entry deadlines.

## Prostate Reports

We are happy to announce the following reports are now available in the Prostate Database:

- ❖ Demographics Report
- ❖ Physics Missing Data Report
